Hello!

Hi there and thank you for your interest! My name is Fern and I am the artist behind the lens here at Fern Lee Photography. I have been blessed with the privilege of capturing my clients' precious moments since 2009. When I'm not taking photos, you can find me spending time with my daughter and husband, decorating my home, eating chocolate chip cookies, or watching Netflix.

As someone who is awkward and self-conscious about photos of myself, I understand what it feels like to be a client. My top priority is to make you feel comfortable and relaxed in front of the camera. I look forward to creating beautiful, natural images with you!
